Re: Regulator Removal Procedure

Dear Mr. Clemens:

The Attorney General Mercury Task Force ("Task Force") has reviewed your revised mercury control program including your mercury screening and cleanup procedure that was provided. The Task Force is pleased with the improvement reflected in your revised document and believes that the implementation of the procedure as written, will ensure that the health, safety and welfare of your customers in those relevant homes or businesses will be protected. The Task Force appreciates your responsiveness in this matter.

Very truly yours,
